

ShawnP.net Privacy Policy

I'm not going to get eccentric, so here's the bottom line. I don't care about anything you do in your spare time or whatever. Therefore, I have no use for your private information, other than your email address. What will I do with your email address? EMAIL YOU OF COURSE!

I will not sell or even give away any information about you to any 3rd parties (without your consent) because I don't believe in SPAM or any other crap that irritates the hell out of me. I just want you to check out what I have to offer. If I've got something you want, great. Let's talk. If I don't, that's fine too. I'm still keeping any info to myself and not giving it to anyone else.

Oh yeah, and there may be other rights that you have that vary from state to state, or whatever else all the other websites put in there policies. This is just a technicality. Again, I don't care about your info so you don't have ANYTHING to worry about. Thank you very much!
